GUIDON

SUMMER
2021

Hargrave Military Academy
200 Military Drive, Chatham, Va 24531
(434) 432-2481.

A Message From The President

To the Hargrave Family,

As you read this, summer school is in full swing having exceeded our aggressive enrollment target, and we are working toward a strong fall enrollment.

Our Academic Dean, Dr. Jim Tung, is working to strengthen our academic program and our Commandant, CWO3 Jason Rader, will be enhancing leadership development in our military program. The standards of conduct and discipline at Hargrave haven't changed in the 50 years since I graduated. All the faculty and staff will be working alongside the Military Department this year to ensure these standards are consistently met. We are welcoming Morgan Tyree, our new School Counselor, who will ensure we have the right counseling resources available and the processes in place to support boys when needed. All of this is in pursuit of the best possible experience for boys at Hargrave.

Thanks to generous donors and much good work by our staff, the campus looks the best it has looked in years! This summer and again this coming school year, all boarding cadets will be in air-conditioned barracks that have been refreshed over the past two years. While we have made progress on facilities, we are still raising funds for the major renovation of Cosby and the replacement of our heat and hot water systems. These improvements are essential to Hargrave's long-term plan.

Again, thanks to generous donor support over the years, we are blessed with some exceptional sports facilities including the Onishi-Davenport Aquatic Center and the Davis and Grant gym complex. There are several opportunities for improvement. We need to replace the old irrigation system for the baseball field and our track and field facility is overdue for major improvement. Air-conditioning Davis gym would give a lift to our outstanding basketball program, and as we move to year-round soccer, we need to replace the goals on our soccer field and establish a practice soccer field. We would welcome donor support for these important improvements to further strengthen our athletic program.

Later in this issue, you will read about our graduating class and their college acceptances and substantial scholarship awards. You will also read about the strong finish by our athletic teams and hear from last year's battalion commander, Cadet Major Gage Crisp. Kudos to all our faculty and staff for their excellent work getting boys back into classrooms while effectively managing all our COVID precautions. Because of that good work, we are better positioned for the year ahead.

Finally, I want to extend a special word of thanks to Mike and Sharon Brown for their strong stewardship of Hargrave these past three years. Much has been accomplished as a result of their hard work and dedication to our mission. The entire Hargrave community joins me in expressing our gratitude for the real difference they have made and wishing them the very best as they continue life's journey.

At the same time our Board of Trustees gets the search for a new president underway, you may be confident that Hargrave is moving ahead, delivering on our promise to parents and their sons, strengthening our programs, and growing enrollment. Thank you for your support!

Sloan Gibson '71

Farewell From Hargrave's 11th President

Dear Hargrave Community,

We had a tremendous finish to this school year! We were glad we could provide an in-person learning experience for all of our cadets. We know the value this has over virtual learning. Our seniors finished strong and we again provided each with an opportunity to attend a college or university. We are extremely proud of what they have accomplished. They not only grew, but grew up during this past year with COVID-19 challenges adding a new dimension to their experience. We know they are off to do great things in life.

Thanks to your support we continue to improve Hargrave in many ways. This summer will see the renovation of Mabry barracks bathrooms, new tile on the barracks in Sanford and the construction of a snack bar where the old kitchen used to be. These will all greatly improve the cadet quality of life. We will also be providing much needed renovations and repairs to some of our faculty housing. We thank you for your generosity and support as we move Hargrave forward. Our Development team has a list of compelling needs if you want to support specifically one of the many programs Hargrave offers to cadets. Again, thank you for taking care of your alma mater!

Sharon and I want to thank the entire Hargrave community for their support and commitment over the past three years. Many of you have made an indelible mark on our hearts and we will forever be grateful. It has indeed been an honor and privilege to serve and be a part of the Hargrave family. We know the school is in capable hands with Mr. Gibson at the helm. He will lead Hargrave to new heights of success. We will cherish the memories made and continue to pray that God blesses Hargrave each and every day. We wish each of you all the best and know we will stay connected to Hargrave and support its tremendous mission and purpose.

God bless,
Michael and Sharon Brown

Hail to Old Hargrave!

The 2020 - 2021 school year was the most challenging year by far. When I arrived at Hargrave in August of 2017 as a freshman I was seeking structure and discipline so that I could grow as an individual.

Throughout my 4 years at Hargrave, I learned a lot about myself and what it takes to be a leader of my peers. I had great mentors who guided me through my time and taught me the right way, which is what led me to be the Battalion Commander my senior year. COVID-19 has offered many challenges throughout the school year and I encountered many issues that past commanders could only imagine. However, the entire Corps persevered through the challenges set before them and we succeeded to the best of our abilities. I hope the Corps continues to rebuild from COVID-19 and grow in size.

Keeping with Hargrave's structure and discipline, I will continue on my path in the United States Army where I will serve my country and continue to grow as an individual.

Best of luck to all of my peers!

Sincerely,
Gage Crisp '21
Battalion Commander

Winter Sports

All In This Together

On the heels of four straight VISAA Elite Eight appearances, the Varsity Basketball squad had a big target on their back heading into the 2020-21 season. Against some of the top competition in the state, along with the challenges surrounding the pandemic, the Tigers were able to find bright spots this season and found a way to win two of their last three games.

Hargrave was paced by Collin Himmelberg '21, who is heading to Roanoke College as a member of their Men's Basketball team, and AJ Walton '21, who will be heading to Danville Community College in the Fall.

Lucky #12!

The Swimming & Diving team had an outstanding season and secured the Academy's 12th VIC Conference Championship! The Tigers finished at the top of the leaderboard in five of the seven meets they competed in this Winter. Hargrave was led by a number of strong individual performers but Nathan Higdon '21 shined extremely bright, as he set a pair of school records (including breaking one of his own) and will be headed to Lees-McRae College to participate as a member of their Men's Swimming & Diving team. Higdon also earned the Varsity Outstanding Athlete Award for the second straight year.

Take the Shot!

Despite not being able to compete in interscholastic competitions this winter due to scheduling difficulties, the members of the Hargrave Rifle team began working towards the transition to a speed and precision based Scholastic Shooting Program. Five young men really stepped up their game and showcased their abilities as Joseph Assen '23, Jacob Miller '24, Peyton Smith '21, Aidan White '23, and Bohong Yang '22 all earned NRA Expert Qualifications this winter!

Power Up!

Hargrave began the Academy's foray into the world of eSports this winter and a group of nine young men and a very motivated coach began to build the foundation for this excellent program! Within the framework of the eSports team, the Tigers competed in three different games after breaking down into smaller groups. Nicholas Brown '25 led the charge for this group and overall, the Tigers found a great level of success as a first year program!

Perseverance For The Win!

The 2020-2021 season presented unprecedented challenges to sports teams all across the world. With so much uncertainty swirling and adjusting to a 'new normal,' for the Postgraduate Basketball team, it was more like 'business as usual' as they continued to build on the incredible history of the program.

This season required the type of determination, resilience and industriousness that is a calling card of Hargrave Cadets. The team battled through ever-changing COVID-19 protocols that forced a shortened preseason, no fans in the stands, less practice time, and fewer opportunities to bond as a unit. Despite those challenges, they amassed an impressive 31-1 record. Along the way, this year's Tigers defeated seven teams that were ranked in the National Top 10, earned a #2 national ranking, won 29 games in a row, made an appearance in the National Tournament Elite 8, and averaged an astonishing 113.7 points per game- good enough for a modern-era record.

First-year Head Coach, Thomas Messinger, commented: "Words can't adequately describe how proud I am of these young men. With everything going on around them, it would have been easy to give a less-than-full effort, coast through and point the blame on circumstances. This team showed up every day, ready to work, and pushed each other to become better players, people, and students. The perseverance and dedication to improvement that these Cadets showed this year will serve them long after the ball stops bouncing. I will remember this group forever- and I will always be proud of them."

The season saw the Tigers win games every way imaginable- from a 97 point home win against Virginia Preparatory Institute to a heart-stopping, nail-biting 91-89 victory over eventual National Champion and number 4 nationally ranked Skills Factory in Florida. This year's team featured an extremely balanced scoring attack, spearheaded by Jackie Johnson (Duquesne University signee), who averaged 28.2 points per game, while shooting 52.4% from the 3-point line. Miles Kelly (Georgia Tech signee), Tyler Beard (Georgetown University signee), Will Felton (Arizona State University signee), IJ Ezuma (Ohio University signee) and Jordan Battle (Utah Valley University signee) all averaged more than ten points per game as well. As a team, Hargrave shot a robust 42.3% from the 3-point line while making over 12 per game as a unit. This up-tempo, highly skilled brand of basketball earned them a reputation as one of the most exciting teams in the country to watch.

The Tigers will carry a 40 game home winning streak into the 2021-2022 season. "As much as I enjoyed building with this group in year one, I can't wait to get fans back into Walter Davis Gymnasium and showcase our brand of basketball to the entire community," stated Messinger. "It's going to be a blessing to have the Hargrave Family back in the stands propelling our play to a whole new level!"

Spring Sports

On Your Marks, Set, Go!

The Hargrave Track and Field team had an incredible 2021 campaign, as they finished no worse than second place in any of the six meets they competed in, including four first place finishes. The Tigers set a school record for points in a meet (236 points) and margin of victory (134 points) in their final regular season meet.

During the VIC Conference Championship meet, Hargrave took home the silver and had a number of individuals qualify for the VISAA State Championship meet. Darius Hankins '21, who is heading to the University of Mount Olive as a member of the Track & Field team, finished 2nd in the state in the 100 Meter Dash, Dimitri Mesidor '24 finished 12th in the 100 Meter Dash, while CJ Farmer '22 finished 3rd in the state in Shot Put and 10th in the state in Discus!

Deuce!

The Tennis team took to the Landon Tennis Center with an elevated level of enthusiasm this spring after only being able to compete in one match during the 2020 season. Despite a grueling schedule against some of the top teams in the state of Virginia and not having any seniors on the roster, Hargrave laid the groundwork for future success.

The Tigers were led by sophomore Alex Owen, as the Blairs, VA native earned All-VIC honors for his efforts this season!

Going..Going..Gone!

The young Tigers' baseball team turned a number of heads on the diamond this spring for all the right reasons. Hargrave notched five impressive victories, the most wins since the 2017 season, while averaging just under seven runs per game. The Tigers started a number of underclassmen this season who gained valuable playing experience at the varsity level.

Teddy Hoffman '25 snagged All-VIC honors as the Tigers' leadoff hitter and utility fielder, splitting time between shortstop, centerfield, and on the mound. Aidan Allen '22 and Dean Friedburg '25 proved to be outstanding foundational pieces along with Hoffman for the Frank Thomas '87-led Hargrave Tigers!

Fore!

Excited to hit the links this spring, the Tigers' golf team included a collection of new and old faces that was committed to make positive strides throughout the season. The Tigers won a number of regular season matches and wound up finishing 5th overall in the VIC Conference Championship match. Junior Carter Brinson proved to be a standout on the course for Hargrave this spring, carding a number of rounds below 40.

The Tigers also saw marked improvement and steady, consistent play from Sage Wood '24, Joseph Assen '23, and Davis Talley '22!

Hargrave Kicks Off New Year-Round Soccer Program

Hargrave will feature a new option for their current and any prospective families with the start of a **NEW YEAR-ROUND SOCCER PROGRAM!**

In support of the year-round program, Hargrave is developing a full size practice pitch, (110 yards in length x 60 yards in width which will replicate the game field), displaying brand new Nike uniforms (traditional black and orange Hargrave colors for home matches and all white for the away matches), and welcoming a new Head Director of the program.

Hargrave is pleased to announce that Chandler Pribble has succeeded Jeremy Eubank as the Soccer Program Director.

Pribble assumed his duties this summer and will also teach at Hargrave. Pribble was a decorated player locally and played at both Greensboro College and Randolph College, while pursuing a degree in Business Administration and Management. Following his graduation from Randolph College in 2018, Pribble played on DC United's (Major League Soccer) U-23 squad. "I am thrilled to be taking over a program that is committed to giving our soccer players new and better opportunities to develop in all areas! Our program will consist of not just outstanding soccer players but outstanding young men as well."

The seasons will include the following:

Fall:

- Preseason training
- Team practices
- 18-25 Varsity matches
- 12-16 Junior Varsity matches

Winter:

- Individual skills training
- Individual strength/agility training
- Athletes participate in various leagues & showcases

Spring:

- Individual and group skills training
- Individual and group strength/agility training
- Athletes participate in various leagues & showcases

Amanda Weishaar Named VIC Swimming Coach of the Year

Born in West Germany on a British Military Base, Amanda Weishaar found her love for swimming at a young age. She learned to swim at the Dolphin Club in Gibraltar, and swam with the Great Harwood Otters until she was 11 years old. Amanda swam for a period in high school but as the British school system has no graduation requirements, she joined the British Royal Navy at just 16 years old. After training as a Marine Engineering Mechanic, she proudly served on the HMS Invincible, HMS Intrepid, and HMS Endurance. A natural athlete, Weishaar represented her command in soccer, flag rugby, netball, field hockey, and volleyball. During her time in the Royal Navy, Amanda earned Captain's Commendation for the prevention of a fire on HMS Endurance as well as the NATO Peacekeeping Medal. Weishaar was medically discharged as a Leading Marine Engineering Mechanic after serving 7 years in the British Royal Navy.

After her time in the service, Amanda trained as a Yacht-master in Australia and England and became a qualified skipper on commercial yachting vessels up to 70 feet. She worked at a yacht base in the Ionian Sea in Greece for 3 years where her last 18 months were spent as the lead of 40 staff members and the preventative maintenance of 120 yachts.

Weishaar moved to the United States (Kansas) in 2006 to care for her mother after a series of back surgeries. While caring for her mom, she volunteered at a YMCA as a swim instructor and also became a qualified lifeguard. She soon moved to Abilene, Kansas (home of Dwight D. Eisenhower) where she worked at Salina YMCA for 7 years. She was initially employed as a maintainer and left as the Director of Building and Grounds. During her 7 years at the Salina YMCA, Amanda volunteered as the Lead Instructor for the 2nd grade water safety program and became a qualified water safety instructor. Amanda was able to complete her high school and college education while living in Kansas. She received her Associate Degree from Cloud County Community College and in 2019 she received her Bachelor's Degree in Organizational Leadership from Fort Hays State University.

Coach Weishaar arrived at Hargrave in June of 2019 and hit the ground running. Since her arrival, Amanda has become an American Red Cross Lifeguarding Instructor, an ARC First Aid/CPR/AED Instructor, a certified Pool Operator, a USA Swimming Administrator Official, and a USA Swimming Coach. As HMA's swim coach, Weishaar led the swim team to Conference Runners-Up and 3rd place at state in 2020. In the 2021 season, the swim team took home 1st place in the Conference for the first time since 2015, and 2nd place in the virtual state meet. Coach Weishaar was named VIC Coach of the Year in 2021 after her immense success in just two seasons. Hargrave takes pride in having such a well-rounded and dedicated coach on staff. Amanda has already left a lasting impression on many cadets, and Hargrave is excited to see where she will take us in the future.

Fun Facts about Coach Weishaar:

- Married for 10 years
- Member of the Northeast Beef Team
- Training for her first 50k
- Rides a unicycle
- Been to all 7 continents

Thomas Messenger Sends A Message With A 31-1 First Season

The Post-Graduate Basketball team welcomed a new Head Coach to the sidelines this season, as Thomas Messenger was hired to take over for outgoing coach Lee Martin, who accepted a position as an assistant coach at Ohio University. Messenger guided the Tigers to a 31-1 record in his first season, a #2 national ranking, an appearance in the National Tournament Elite Eight round and set a modern-era record for points per game in a season (113.7). Players from this year's team earned more than \$1,500,000 in scholarship awards and have signed with schools such as Georgetown, Georgia Tech, Arizona State, Ohio University, and Duquesne University, among others. Messenger was chosen as the O.B. Teague '42 Award winner, his second time earning the honor during his time at Hargrave (2015, 2021).

While Messenger was new to his post as the Post-Graduate Head Coach this season, he is certainly no stranger to Hargrave, having worked in a variety of roles on campus since 2012. Messenger most recently served as the Postgraduate Basketball Associate Head Coach and Athletic Director after serving as a Postgraduate Basketball Assistant Coach under A.W. Hamilton, who is now the Head Men's Basketball Coach at Eastern Kentucky University.

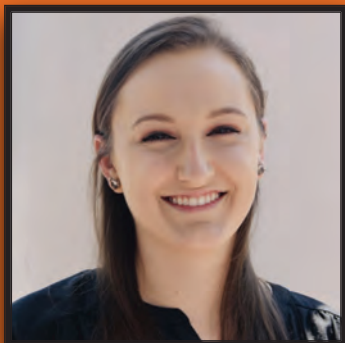

Serving under both Hamilton and Martin, Messenger was on staff for teams that had tremendous success, including a National Prep Championship in 2016, Final Four appearances in 2017 and 2020, and an Elite 8 appearance in 2019. Hargrave has reached the National Tournament every year that Messenger has served on staff. Messenger was part of Hargrave teams that set school records for wins in a season (47; 2016) and points scored in a single game (173; 2019). Messenger's total record while a member of the postgraduate coaching staff is a staggering 234-16, a 94% winning percentage.

Prior to his time with the Postgraduate team, Messenger elevated Hargrave's Varsity Basketball program to new heights. In his two seasons as Head Coach, he established a modern-era school record for wins in a season, collected Virginia Independent Conference Coach of the Year honors, and was honored with Hargrave's O.B. Teague Coach of the Year award. Messenger has also served as Director of Athletics (2018-2020) and Director of Admissions (2014-2016) in addition to his roles within the basketball program.

Before arriving at Hargrave, Messenger earned a master's degree in Teaching from Smith College in 2012 following a successful playing career at Emerson College in Boston, Massachusetts. Messenger was a key contributor on the 2007-08 Emerson team that set a school record with 24 wins. He was honored as Team MVP and Great Northeast Athletic Conference All-Star during his senior season and finished his career second in conference history, in both career 3-point field goals made (252) and career 3-point field goal percentage (44%). Messenger graduated from Emerson in 2011 with a degree in Marketing while earning President's List and Great Northeast Athletic Conference All-Academic honors along the way. A Northampton, Massachusetts native, Messenger starred at Northampton High School before attending NEPSAC school Deerfield Academy for a postgraduate year in 2007, earning Team MVP, All-League and All-Region honors during his high school years.

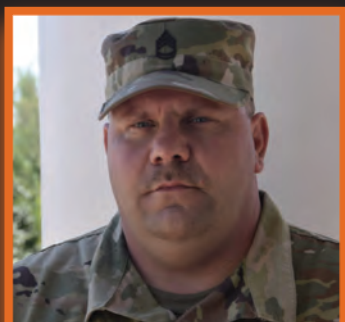

Welcome to Hargrave, New Faculty and Staff Members!

Myranda Barker
Admissions Counselor

Myranda is a 2021 graduate of Roanoke College with a Bachelor of Science in Business Administration. While attending college, Myranda served as an Orientation Leader, and later went on to work at Walt Disney World Resort, located in Orlando, Florida, as an Attractions Cast Member.

Steven Blevins
TAC

SFC Steven Blevins is a proud Retired U.S Army Soldier, where he served 20 years on active-duty in the following positions: Tank Driver, Tank Loader, Tank Gunner, Tank Commander, and Section Leader, as well as Recruiter, Recruiting Station commander, and Recruiting training NCO. As the Recruiting Station Commander his duties involved the details of preparing future Soldiers for the military lifestyle, by providing direction, purpose, and motivation.

Danny "DJ" Bunn
TAC; Head Football Coach

Danny Bunn is a former Hargrave Post Graduate Football player. He is a graduate of Winston-Salem State University with a Bachelor of Science in Sports Management and currently pursuing a Master's Degree in Special Education. Danny has served as Defensive-Backs Coach for boarding and public schools, such as Fork Union Military Academy, Cleveland High School, and Simon G. Atkins Academic & Technology High School.

Austin Burnette
Assistant Post-Graduate Basketball Coach

Austin Burnette is a former Hargrave Post Graduate Basketball player. Austin continued his education at Campbell University where he obtained his 4-year degree in Sports Management. Austin was then awarded the opportunity to work at the University of North Georgia as the Men's Basketball Assistant Coach. He then decided to pursue more education and a coaching position at Florida International University; while there Austin earned a Master of Science in Hospitality Management and became the Men's Basketball Graduate Assistant.

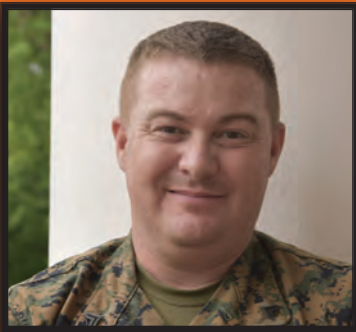

Zaria Davis
Assistant of Marketing

Zaria Davis is a graduate of Johnson & Wales University in Charlotte, NC with a Bachelor of Science in Sports Entertainment & Events Management. In her time at Johnson & Wales, Zaria served as the Athletics Marketing and Promotions Assistant and worked with the 2018 ESPN X-Games, The Lacey Foundation, and Danville Community College.

Tega Dodson
TAC

Chief Tega Dodson is a native of Martinsville, Virginia, who just retired from the U.S. Navy after serving 25 years on active duty. His active-duty career included a tour as a Recruit Division Commander (Drill Instructor) at Navy Bootcamp and multiple tours as an Aviation Electronics Technician. He is also certified as a Master Training Specialist and has served as an instructor training new sailors on aviation electronics maintenance.

Mason Gallivan
TAC

Corporal Gallivan is a college graduate of Indian River State College with a 4-year degree in Criminal Justice. After college, CPL Gallivan joined the United States Marine Corps where he served four years active duty as a Fire Support Man and as Joint Fires Observer for 1st Battalion 12th Marines. Before joining the Hargrave community, he worked at Riverside Military Academy for two years as a TAC Officer for Band and Golf Company.

Donna Hancock Ward
Nurse

Donna graduated from Lynchburg General Hospital School of Nursing with an Associate Degree in Nursing and with hard work became a Registered Nurse. Over the years, she has gained work experience as an RN while working with the medical intensive care unit, dialysis, outpatient child psychiatric, and hospice. However, Donna decided to change gears in recent years when she decided to become a school nurse at Chatham Hall.

Alan Petty
Varsity Basketball Coach

Alan Petty came to Hargrave after establishing himself as a mainstay in the local basketball community. Alan currently runs the Warriors Travel Basketball Team organization. Prior to taking over the Varsity Basketball head coach position for the Tigers, Alan was part of a staff that led Chatham High School to a strong 15-5 record in JV Basketball during the 2019-20 season, which was their first winning season in over four years.

Jill Wood
Nurse

Jill received her Associate of Arts Degree from Central Christian College located in McPherson, Kansas; she then continued her education at Bethel College where she obtained her Bachelor of Science in Nursing. Jill moved to Illinois where she worked as a medical/surgical nurse for 1 year, ER and trauma nurse specialist for 3 years, OB nurse on a labor/delivery floor for 5 years, and an OB/GYN office nurse for 1 year. She then made the decision to move to Virginia where she worked as a school nurse at Forest Hills Elementary School-Danville for 2 ½ years and George Washington High School-Danville for 7 years.

Meet The Commandant

Hargrave welcomed a new Commandant this past school year. Chief Warrant Officer-3 Jason Rader is the son of a retired Air Force Master Sergeant and was born in Fort Worth, TX. He enlisted in the United States Marine Corps as a Private, was promoted meritoriously (early) three times and reached the rank of Gunnery Sergeant before applying and being selected for the Warrant Officer Program where he was appointed and eventually commissioned as a Chief Warrant Officer. He retired after more than 22 years of service in 2020.

During his service, he was stationed across the United States, was deployed on humanitarian response efforts, and was selected as the Recruiting Station Kansas City, Recruiting Substation Commander of the Year (2008). He also spent two years in Europe and Africa supporting training and crisis operations, including the development and execution of a Noncommissioned Officer Training Course for the Azerbaijani Military.

He is a graduate of Grantham University (A.S. in Information Systems) and of Liberty University (B.S. in Interdisciplinary Studies and M.A. in Executive Leadership). He holds a Lean Six Sigma Green Belt Certification and is a member of the Field Artillery's Honorable Order of Saint Barbara.

Chief Warrant Officer-3 Rader is married to the former Jessica Garcia of Clewiston, FL. Their oldest daughter is currently serving her second enlistment in the U.S. Air Force, and their three younger children reside with them in Chatham.

Class of 2021!

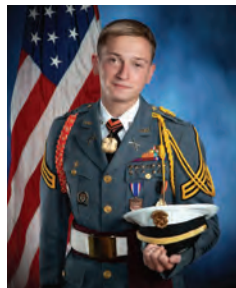

2021 Commencement Ceremony

On Friday, May 14, 2021, at three o'clock pm Hargrave held the 112th Commencement Ceremony for the Class of 2021. The 2021 graduating class consisted of six honor graduates, twenty-one graduates, and one academic post-graduate. The senior class was awarded over \$3 million in academic, athletic, and merit scholarships from colleges and universities across the country. Every graduating cadet left Hargrave with acceptances to their best-fit colleges and universities, and one cadet will be joining the armed forces.

MacArthur Award Winner

This year, the MacArthur Award was awarded to John "Jay" Thompson '21 of Chatham, VA. Thompson was a cadet at Hargrave for 6 years and served in many leadership positions including Barracks Officer, Platoon Sgt., Company Executive Officer, and Delta Company Commander. He was a member of Honor Council for 5 years, serving as the Chairman his senior year. Cadet Thompson participated in many extracurricular activities during his time at Hargrave including Boy Scouts, Swimming, Cross Country, Latin Club, Chinese Club, Eye of the Tiger, Marching Band, Praise Band, and Beta Club. In the Fall, Jay will be attending The University of Virginia at Wise where he plans to major in nursing. The General Douglas MacArthur Foundation presents the MacArthur Award annually to outstanding cadets within the Association of Military Colleges and Schools of the United States (AMCSUS). This award is given to cadets that emulate the leadership qualities shown by General MacArthur as a student at West Point. Hargrave is one of only 40 schools authorized to present the award to a cadet each year.

ALUMNI SPOTLIGHT: J. PARKER MILLS '01

It has been 20 years since Parker Mills '01 walked the Hargrave halls as Battalion Commander. Parker currently lives in Williamsburg, VA, with his wife, Kristy, and their two children, McKayla and Mason. They moved to Williamsburg in 2007, when he started working for Branscome, Inc. as a project manager. Since then, he has moved up through the company, and is now the vice president and regional manager of the company's Hampton Roads region.

After graduating from Hargrave in 2001, Mills attended the Virginia Military Institute in Lexington, VA. He has an immense amount of pride and loyalty to VMI, but admits that he learned more about military discipline and leadership training from Hargrave. VMI has a tradition where a First Classman (senior) chooses a Rat (freshman) to mentor throughout the ratline. When Parker was a First, he chose an incoming Hargrave graduate, Robert Jordan '04. Robert would choose an incoming Hargrave graduate when it was his time, Josh Splinter '07, and Josh chose John Barber '10, three years later; a true testament to the Hargrave brotherhood.

In 2003, Parker enlisted in the United States Marine Corps Reserves through a program that allows you to continue full time college and complete boot camp and MOS training during the summer. During his First Class year, his unit was called to active duty, and he was deployed to Iraq. He returned to VMI after deployment and graduated in 2006.

Mills was again deployed to Afghanistan in 2010. By this time, he was a Sergeant and a squad leader assigned to 3rd Combat Engineer Battalion. In Iraq and Afghanistan, their mission was the same: Provide mobility to infantry forces by locating and clearing mines and improvised explosive devices (IEDs), and breach any obstacles with mechanical tools or explosives as necessary. Notably, Parker's squad led all patrols in the initial breach into the Sangin area in the summer of 2010. Enemy activity was intense, but his Marines performed their jobs fearlessly, with many of them awarded Purple Hearts during that time. In both deployments, Parker served alongside another Hargrave friend and graduate, Eddie Cook '02.

He returned to his full-time career at the end of 2010, and received an Honorable Discharge in 2012 from the Reserves. He recently graduated from The College of William & Mary Mason School of Business with a master's in business and administration (MBA), and was inducted into the Beta Gamma Sigma honors society.

What impact did Hargrave have on your life?

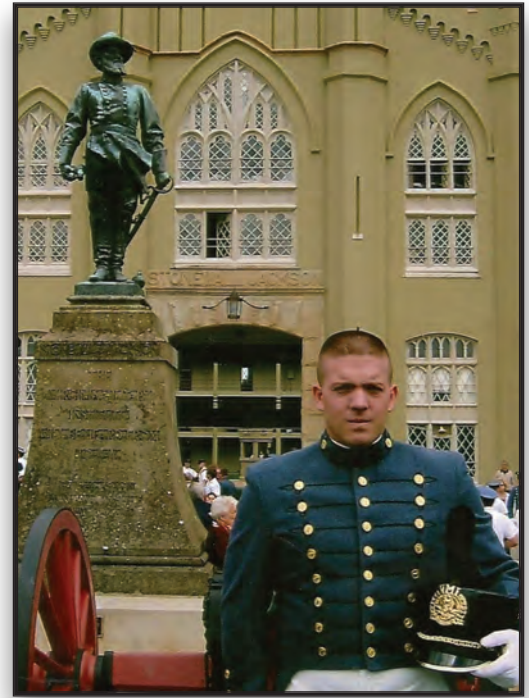

Hargrave had a huge impact on my life. I have found that the lessons, experiences, advice, and leadership principles that I learned at Hargrave are universal. Some people don't learn them until much later, and many people are never exposed or never grasp them. I had the fortune to not only be exposed to them but to also learn and experiment with them all before I was even 16 years old. Through leadership positions at Hargrave, I was taught, coached, and held accountable to lead others and manage myself exactly as I am expected to do as the vice president of a large corporation.

If you could describe Hargrave in one word, what would it be and why?

If I had to describe Hargrave in one word, I would say "Invictus". Technically, this is probably cheating because I am referencing an entire poem by William Henley. However, the essence of this poem is my view of Hargrave's impact on me and many others. Hargrave comes with challenges and expectations that are foreign to most teenagers, but you learn you can endure. You leave with a different perspective on life and a grit that many others don't possess. The poem ends with, "I am the master of my fate, I am the captain of my soul." This is the takeaway from Hargrave that, even today, I reflect on consistently. I am responsible and accountable for my decisions and their consequences. Whether in a military school, the Marine Corps, or the business world, you can never delegate responsibility. You own it. Hargrave taught me that when I needed to learn it the most.

Tell us a funny story about your time at Hargrave.

I don't know how funny this is, but it is entertaining. Near the end of my senior year, I had this misplaced idea, which I paid for dearly, that the battalion commander had a responsibility to pull off an innocent and victim-less senior prank. Three of us snuck out one night after midnight to recon whatever bad idea we had come up with. I honestly don't remember what we had planned to do. As we were running around in the shadows of the school, we saw the TAC officer on duty, Sgt Maj Payne, performing a patrol. We hid behind a short wall near the pool to wait for him to pass. He was walking by at what had to be a distance of 75 yards away, when he abruptly turned and headed straight for us. We were caught laying down behind this wall trying to hide. He stared at us for about 30 seconds, and I guess we thought if we didn't acknowledge him, he would just move on. Obviously, that didn't work, and it just made the whole situation that much more embarrassing. Finally, he told us to get up and go back to our rooms. As I was leaving, I asked him just how it was that he caught us. He had made a beeline for us from so far away, and we were never in his sight. He just looked at me in his very straight and deadpan style and said, "You have no idea how loud it is when someone is trying to be quiet." That quote has always stuck with me.

What advice would you give to current cadets?

Winston Churchill once said after a WWII victory, "Now this is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning." That is how to view your time at Hargrave. It is not something to get over and forget about. It is not something to achieve only to put behind you. It is something to build on. Appreciate it, make the most of it, and learn all it has to offer. This will give you the best beginning to start the rest of your life.

What is your favorite memory of Hargrave?

In 2001, the baseball field was brand new. We were the first team to play on it, and we had a dedication ceremony before the first home game of the season. Dennis Fuller, who the field is named after, was present and threw out the first pitch from his wheelchair. I can't do it justice with words, but it was emotional, people were crying, it was a big deal. Even Coach Thomas and players on the team were tearing up. There was only one problem. We were playing Gretna that day. We had a huge crowd, and everyone was fired up after the ceremony, but we were playing a state championship caliber team. We played them every year, and I'm pretty sure we lost by slaughter rule every year. We had never even come close to competing with them, much less beating them. Actually, there was a second problem. I was pitching. All I could think was how embarrassing this was about to be. I wondered how many people would still be sticking around after the 3rd inning. I thought that this beautiful, tear-wrenching ceremony was going to be ruined by a tear-wrenching, lopsided loss, and that the first home game on our long-awaited field was going to be a one-sided beatdown. And, I am going to be the one responsible for it. As the game started, we did ok. No runs for them in the 1st, but we did score. Somewhere a few innings later, we scored again. They still hadn't scored. By the 5th inning, we were leading 2-0. We actually had a chance at this game. Everyone that showed up for the dedication was still there. Coach Fuller, Col. Baker, my parents, most of my teammates' parents, were all watching every pitch with anticipation to see if we could run this game the distance and pull off the upset of our high school careers. I remember that at the start of the 6th inning I was still pitching, and they still hadn't scored a run. I thought back through the previous innings, they had only had one or two base runners, and I had walked both of them. Gretna didn't have an actual hit in this game. It was a no-hitter through 5 innings. Somehow, we made it through the 6th, and Gretna still had no hits. To this day, I can still see the final batter of the 7th inning popping up to first base, the first baseman catching it, and the crowd going wild. Not only did we win, we "no-hit" Gretna for the first game ever played on that field. It was amazing. We didn't lose a game on that field for the entire year.

Is there anything else you would like to share?

I truly enjoyed my time at Hargrave. It has always meant a lot to me, and I reflect on my time there often. Like most, I didn't appreciate the true value of Hargrave until several years after I graduated, but I clearly see its indispensable value now. It has been an absolute honor to share my thoughts with you all, and I hope to have the opportunity to catch up with everyone at the next alumni reunion.

We Are Hargrave

On May 14, 2021 Hargrave's 112th graduating class ended their journey as cadets and began their time as alumni. Saddened to see the graduates move on to the next chapter, Hargrave's Development Team pondered the question of "How can we continue to help?"

With that in mind and the spirit of Hargrave's mission, we announce, with excitement, our plans to begin Hargrave's Chapter Program. The goal of our program is to help create and maintain relationships in the Hargrave community with a focus on areas with a high concentration of alumni (Chatham, Danville, and Richmond, Virginia and Raleigh and Charlotte, North Carolina, etc). This program will allow for a strengthened Hargrave network and improved engagements with our vast constituency.

Hargrave's Development Team is laying the groundwork to for the following:

1. Career Network: The Career Network will help connect cadets and alumni with employment, internship, and mentoring opportunities through local seminars/major speakers at local events. The Director of Alumni will host a job board for alumni who are looking for employment or employees. This will help serve alumni coming out of college, graduate school, the military, or transitioning to a new industry as well as those who are business owners.

2. Business Network: Our business network will help promote the businesses amongst alumni who are entrepreneurs. This will allow for posting the contact information, articles, and videos on Hargrave's Chapter website and LinkedIn page.

3. Chapter Scholarship Fund: The Chapter Scholarship Funds for each chapter region, will provide alumni opportunities to share their love of Hargrave and pass on opportunities to the next generation of cadets to enjoy the same benefits they have; while helping friends, family, and business associates whose sons are looking for a quality education.

We will continue to promote local gatherings in your area and encourage fellowship. To this end, we are looking for local sports bars that may be interested in allowing Hargrave to "adopt" their place in return for allowing Hargrave to place some of our memorabilia "swag".

If you'd like to learn more about our Chapter Program, please contact Louis Massett at louis.masset@hargrave.edu

2020 Homecoming Documentary

In 2020, for the first time in Hargrave's history, we were unable to host Homecoming. Homecoming provides an opportunity for our alumni to reconnect with old friends and former teachers, and reflect upon fond memories of bygone days. We set out to capture the essence of this experience for our alumni and share their stories in a meaningful way.

In the early part of 2020, Ben Wall, Director of Alumni Relations, and Louis Massett, Chief Development Officer, recorded interviews in Chatham and Richmond, Virginia, and Charlotte and Raleigh, North Carolina, along with several Zoom interviews for those who wanted to participate but were unable to meet due to COVID-19 or distance. In sum, Ben and Louis conducted over 65 interviews and captured over 100 hours of footage. Ben and Louis were blessed to sit down with Hargrave legends like Carl Burke, Mary Tallent, and Curtis English, and witness a span of over 60 years of Hargrave history!

When Louis was asked about his experience, he stated "The interview process was one of the most enjoyable professional experiences that Ben and I have ever had. It made us realize on an emotional level the profound importance of Hargrave's mission. No one can watch Curtis English cry over the deaths of cadets he came to know and love and not be moved to tears. Hargrave matters." Ben added "This journey has inspired us to realize Hargrave's story is much bigger than what we could capture in two short months. The *We Are Hargrave* documentary is just the beginning: There are still stories to tell. Regardless of our station or the amount of time spent here, all of us are part of a remarkable story of a special place and lives well spent. We are Hargrave."

The stories of many cadets, transformation and discovery, and Hargrave's tradition of excellence can be on our website with the link below.

Homecoming Awards

Dr. Paul H. Lilly, Jr. '57

Outstanding Alumnus

Dr. Paul H. Lilly, Jr., was born in Forest, Virginia, in the foothills of the Blue Ridge Mountains. After graduating from Hargrave Military Academy in 1957, he attained his premedical training at Lynchburg College and received his Doctor of Medicine from the Medical College of Virginia in June 1964. He was commissioned after his junior year at MCV. In 1966 he was selected to the Aerospace Medicine Residency. After attaining his Master of Public Health at Johns Hopkins, he spent his second year at Brooks AFB, and the third preceptor year at the office of the Command Surgeon Offutt AFB, NB. Dr. Lilly was then assigned to Utapao RTAFB, Thailand, from August 1969 to August 1970 where he served as Chief, Aeromedical Services. Upon his return to the states, he was assigned to Langley AFB as Chief, Aeromedical Services. As an additional duty he served as medical consultant to NASA Langley performing research on weightlessness for the Manned Orbiting Laboratory. In July 1972 he separated to enter private practice in Forest, VA. While in the civilian sector he practiced family medicine and attained board certification in the same. Additionally, he was a police medical examiner, adviser to several rescue squads and fire departments, founder and chairman of a four county/two city Emergency Medical Services Council as well as a member of the Virginia governor's EMS board. As a businessman he was one of the founders of a local bank, serving as a director for 12 years, retiring when he re-entered active duty. He was a developer of a shopping center and several business complexes, and active in many civic functions. In 1984 he founded Blue Ridge Occupational Health instituting and overseeing the occupational health needs of companies. He was a senior aviation medical examiner, FAA accident investigator and safety counselor, and an instructor and charter pilot. He is now retired and lives on his farm - Winds Aloft - near Bedford, VA. His military decorations and awards include the Meritorious Service Medal, the Air Medal, the Commendation Medal, the Air Force Outstanding Unit Award, the National Defense Service Medal, the Armed Forces Expeditionary Medal, the Vietnam Service Medal, and the Republic of Vietnam Campaign Medal. Col. Lilly is married to the former Betty Jo Toney of Monticello, Georgia. They have six children.

Scott Roach

Active Educator of the Year

Mr. Scott Roach is a graduate of Appalachian State University and started his teaching career for the Pittsylvania County School system in 2000. He joined Hargrave in 2002 and currently teaches AP U.S. History, AP U.S. Government, and Economics. He received the Floyd Award in 2015 and 2020. During his tenure at Hargrave he has coached several sports including basketball, baseball, and football and he was named VIC Baseball Coach of the Year in 2007 and 2012. Scott currently serves as the Faculty Advisor for the Honor Council and is the Social Studies Department Chair. Scott and his wife Debra reside in Danville and they have two daughters, Rianna and Kaelyn.

Ehren K. Holder '93

Romulus Sanders Distinguished Young Alumnus

Ehren Holder grew up in Garner, North Carolina; a small town just outside of Raleigh. After graduating from Hargrave in 1993, Holder attended Western Carolina University where he majored in Business Entrepreneurship. Ehren currently holds a position as an Operations Manager at Cisco Systems in Clayton, NC. When asked what Hargrave means to him, Holder stated "The principles of honor, discipline, and teamwork I learned while at Hargrave provided the foundation I needed for the rest of my life. These things guide me in my daily life and are much needed for young men in today's world." In his free time, Ehren enjoys a good BBQ and camping with his fiancée, Joanna Pursley of Wendell, NC.

Dr. Lynn D. Baker

Inactive Educator of the Year

Dr. Baker was born in Rockford, Illinois but was raised in Marathon Key, Florida. After high school, Dr. Baker continued her education by graduating from Mohave Community College in Kingman, AZ earning an Associate's degree in nursing and radiology. Lynn was selected to join a prominent medical group, National Medical Enterprise, which traveled to Taif, Saudi Arabia to open a hospital. Primarily, she taught radiology procedures to local nurses. Lynn combined her calling to help people with a desire for adventure and travel by becoming a mental health counselor in the Marine Corps Brig in Okinawa Japan. She was a social worker at Camp Lejeune in North Carolina, as well as the Veteran's Hospital in Albuquerque, New Mexico. Not ready to settle down, Dr. Baker joined a group of educators to teach English in Chengdu, China. In her continuing desire to serve and help people, Dr. Baker was a counselor and advocate for the Court Appointed Special Advocate system, CASA, a volunteer group that advocates for children involved in judicial cases. Lynn will not hesitate to state that her most rewarding, interesting, and fun adventure was leading the guidance department and teaching classes at Hargrave Military Academy. Lynn joined HMA in 1998 and retired in 2013. Dr. Baker earned a Bachelor of Science degree and a Master of Education from the University of Maryland. She earned a second Master Degree of Social Work (MSW) from New Mexico Highlands University. Later she earned a Doctorate of Psychology from Southern California University. Dr. Baker has earned several awards including an Outstanding Civilian Service Medal from the Department of the Army. Dr. Baker, along with her husband, Wheeler, and their dog are retired at Smith Mountain Lake, Virginia.

Sgt. Major Harold Hofer

Honorary Alumnus

Sergeant Major Hofer was born in Munich, Germany on December 13, 1949. His family immigrated to the United States in 1957. In 1968, he graduated from Palisade High School in Palisade, CO. He entered the Marine Corps in 1969 and attended recruit training at Marine Recruit Depot in San Diego, CA. On August 9, 1975, he married Patricia D. Rees in Brussels. In 1982, he was assigned to Headquarters, US Marine Corps as the Infantry Assistant Monitor. He was selected for promotion to Sergeant Major in 1989 and assigned to 2nd Battalion, 4th Marines. In 1995, Hofer became the Sergeant Major of the School of Infantry, Camp Geiger, NC. After 28 years of service to our country, Sergeant Major Hofer retired from the Marine Corps in September of 1997. His personal decorations include the Legion of Merit Medal, 2 Meritorious Service Medals, 2 Navy Commendation Medals, 4 Navy Achievement Medals, and the Combat Action Ribbon. In November, 1997 he accepted employment at Hargrave Military Academy as the TAC for Bravo Company. Hofer became Hargrave's Director of The Center for Leadership and Ethics in 2002. In 2005, he accepted the position of Commandant. After serving as Commandant for two years, Sgt. Major Hofer returned to The Center for Leadership and Ethics as the Director. He retired in 2016 after 19 years at HMA. Hofer earned a Bachelor of Science Degree from Averett University and a Master's Degree in Professional Counseling from Liberty University. He was named Hargrave's Educator of the Year twice and received the Active Educator Award in 2013.

John M. Garnett III '68

Distinguished Alumnus

John Garnett, a lifelong resident of Spotsylvania County, Virginia, graduated from Hargrave in 1968 as Second Lieutenant of Band Company. After graduation, he attended the University of Richmond where he earned a Bachelor of Arts in Economics. Mr. Garnett returned home after college and joined his father in the mechanical contracting business where he provided sales, service, design, and installation of HVAC equipment. He retired from the mechanical contracting business after 43 years of service. Mr. Garnett served for 16 years on the Spotsylvania County School Board and was also a Hopetree Family Services board member. He is a member of Fredericksburg Baptist Church where he currently serves as an usher and a deacon. Mr. Garnett and his wife, Elizabeth, have two children and two grandchildren. In his free time, Mr. Garnett enjoys being active in various automobile clubs.

Where Are They Now?

1955

Howard Bareford, Sr. is retired from the US Army and the US Postal Service. He is 85 years old and in good health! Howard and his wonderful wife, Priscilla, have three sons.

1957

Nessim Izmerly is retired and living between Haiti and Miami, Florida.

1958

Charles Long is enjoying his retirement and just welcomed a new great granddaughter.

1964

Charles "Andy" Light and his wife moved to White Rock, NM in December to be closer to their son.

1970

John Stedman has been married to his wife, Kathy, for 41 years. He still works part time as a Marine Insurance Adjuster and regional factory rep for Fire Suppression.

1971

Charles Edwards is serving as President of the Spartanburg County Bar Association this year and has practiced law in Spartanburg for over 40 years

1977

Daniel Parsons celebrated two wonderful years of marriage to his wife Patricia in early May. Daniel also took an early retirement from Alaska Airlines and now enjoys ice skating, softball, and outdoor cycling in his free time.

1980

Warren Chesser is the Pastor at Harbor Baptist Church of Fleming Island. He and his wife are living near their four boys and nine grandchildren.

1987

Greg Adkins retired from the US Army after serving from 1987 until 2014. He is married with one son and two stepchildren.

1991

Travis King recently celebrated 26 years working as an engineer for AT&T.

1995

CWO3 Clayburn Perry, United States Marine Corps Intelligence Operations Officer, is stationed at Marine Corps Security Force Regiment in Yorktown, Virginia.

1996

Will Hunt is getting married to Cailin Delaney in July at their horse ranch in Wyoming.

Class Updates

1966

Stewart Evans, Jr. and his wife, Leila, celebrated their 53rd wedding anniversary in June. They have six grandchildren ranging in age from 2-18.

David Whitten is now working in property management after a long career practicing and teaching law. He is the proud father of two sons, both sea captains with the US Coast Guard.

1967

Donald Williams retired at the end of 2019 and now enjoys spending his time between his Charlotte, NC home and his Florida condo.

1969

Charles Tyburski is a retired Reinsurance Claim Executive and is a Registered Maine Guide.

1982

Peter Darlington will retire from Charlotte Fire Department this coming January after serving the community for 25 years. After retirement, Peter looks forward to restarting his business, "Specialized Automotive Hauler". He and his wife, Treva, have 5 grandchildren.

Julie Nenon continues to enjoy life in the Foreign Service as the Representative for the U.S. Agency for International Development in Luanda, Angola. Her daughter, Erica, will soon get her driver's license!

1986

Jeffrey Link and his family moved from Scottsdale, AZ to Glen Ridge, NJ in 2016 and are still adjusting to spending time in New York City, traveling the east coast, and weathering the four seasons.

1998

Garrett Knoll is an airline captain at JetBlue Airways. He has a 4 year old daughter and a 1 year old son.

2000

Eric Smith's youngest son just celebrated his 1st birthday, and his wife was promoted to editor-in-chief of Petfood Industry Magazine.

2015

Isaac Burton graduated from the Police Academy in 2020 and is now working for Charlotte-Mecklenburg Police Department.

2020

Charles Moreno enlisted in the United States Army as a Wheeled Vehicle Mechanic and moved back to Chatham to give back to the community he knows and loves! He is also in the process of becoming a volunteer firefighter for the Chatham Fire Department.

Weekend Of Service 2020

Hargrave's Weekend of Service, held on September 26, 2020, was slightly different this year. Due to COVID-19, we were not able to invite the alumni back to campus for the weekend.

Though the cadets were disappointed, they still got out there and worked hard to get the campus into tip top shape. The day began with a big breakfast in the mess hall, followed by a work filled morning. Mulch was spread, buildings and statues were power washed, Floyd Hall was cleaned out, buses were washed, and much more. After their busy morning, the cadets were excited to enjoy a cookout with hotdogs and hamburgers provided by SAGE, and shaved ice from the Kona Ice food truck.

Following the cookout, the cadets enjoyed a little friendly competition with water balloon slingshots. We are doing all we can to include our alumni in the 2021 Weekend of Service, and we hope you will join us!

A photograph of three young men participating in a community service project. They are wearing matching orange t-shirts, camouflage cargo pants, and tan work boots. Two of them are also wearing black face masks. They are using long-handled tools, possibly shovels or pry bars, to work on the ground in front of a dark blue building with a white window frame. The man on the left is looking down at his tool, while the man on the right is looking towards the camera.

PRESIDENT'S REPORT 2020-2021

The Honor Roll of Donors, which appears on the following pages, lists the name of all constituents who financially assisted the Academy with gifts and grants from June 1, 2020 through May 31, 2021. Every effort has been made to ensure the accuracy of this report. We apologize for errors and ask that we be notified so that we can correct our records. Our sincere appreciation is extended to our alumni, present and former trustees, faculty, staff, parents, grandparents, parents of alumni, foundations, corporations, businesses, and friends who faithfully and generously support Hargrave Military Academy.

WINNER! WINNER!

The winner of Hargrave Military Academy's 1st Annual Truck Raffle, held on April 17, 2021, was Mr. Bill Skelley of Gloucester, Virginia. He purchased the winning ticket after being solicited by Hargrave alumna, Dr. Robin Dillion Shepherd '97. Bill retired after forty years in Human Resources and now spends most of his time on the Chesapeake Bay with friends and family. Plans for his winnings include a gift to his church and a nice vacation next year. "I would like to thank everyone involved with the HMA fundraiser and I wish the entire Hargrave family the best in the future".

Total raised for the Cadet Scholarship Fund: \$61,114

The Hargrave Community extends its deepest sympathy to the families and friends of the following alumni of the school who have recently passed away.
